

# Compact Carbon Capture – 3C

Dag Eimer

University of South-Eastern Norway

PIN, May 16, 2018

# Who is behind?

# CONTRIBUTORS...

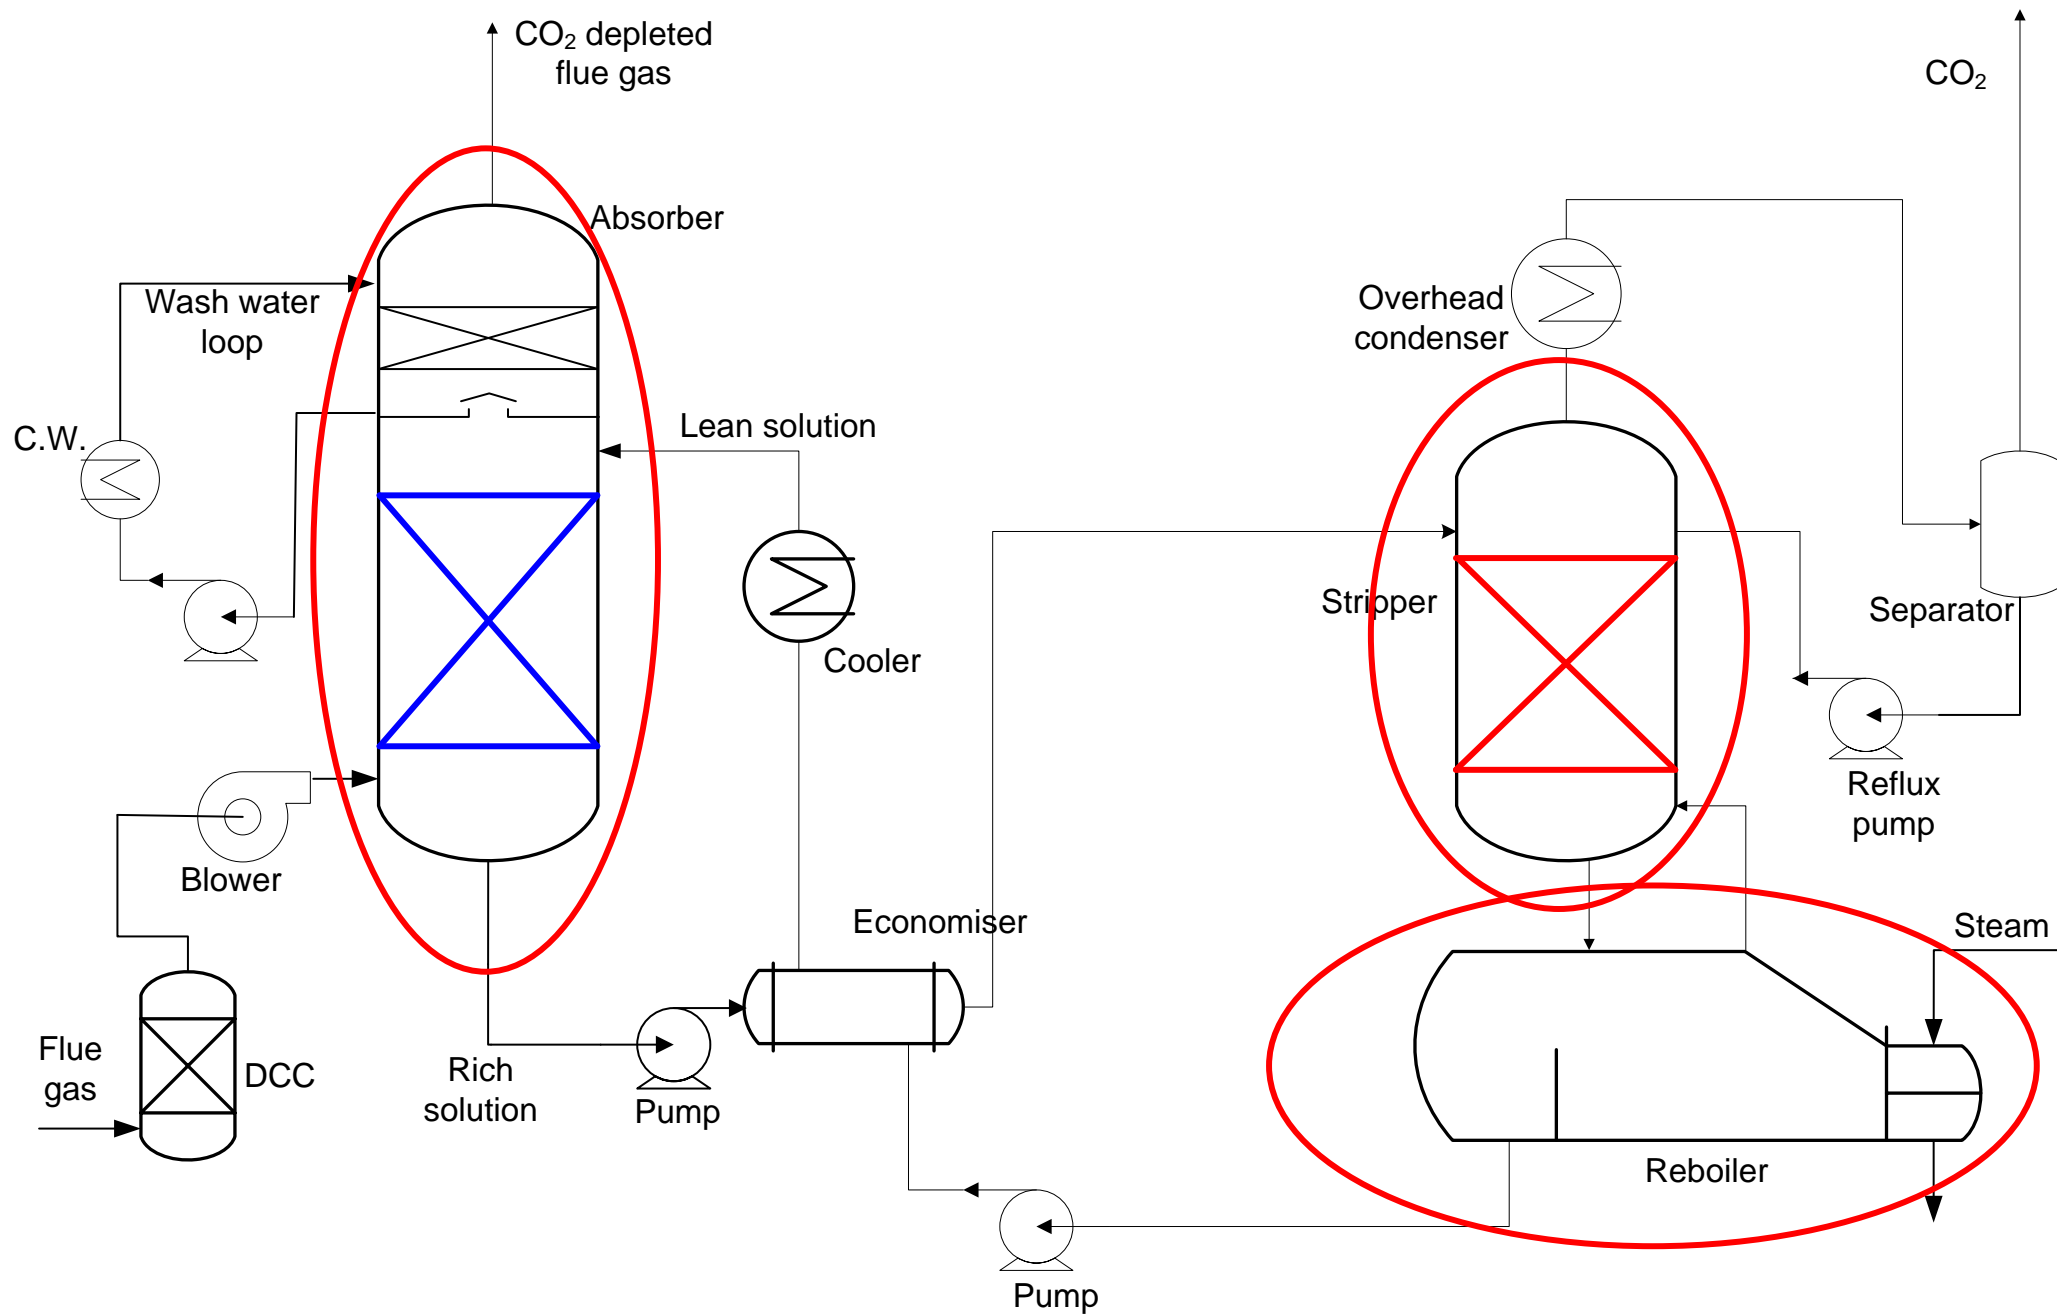

# 3C solves space problems

# What is intensified?

## Process intensification of:

- Absorber : Rotating packed bed (RPB)
- Integrated stripper and reboiler: Rotating desorber wheel (RDW)
- Solvent neutral
  - Easy to work with viscous fluids

# 3D model of 100 kt/a plant

# Road to commercialisation

2020
